

Lunch Bunch

Redeemer Parish Day School

Lunch Bunch is a play-based afternoon program for students in our 3s and Pre-k programs. Emphasizing socialization and individual development, the children participate in fun and engaging activities. All children must be toilet-trained. Each child brings his or her own lunch and drink. Redeemer is a nut-free school.

Registration

While many families chose to enroll in our Lunch Bunch program on a regular basis, optional drop-in days are possible based on availability. Please complete the sign-up sheet included in this mailing or contact the school office to register by 8/21.
